MONITORING TEST

REMEMBER TO TEST YOUR SYSTEM

We recommend that you test your system at least 4 times per year using the following steps:

1. **Call Station** Telephone No's: 416-736-3000 or 1-800-268-6870, and provide your Account No. and Passcard No./Password. Ask to put your system on test for 15 – 30 minutes.
2. **Arm the system** by entering your 4 digit code.
3. **Trigger** back door, or window.
4. Siren should sound.
5. **Disarm** by entering your 4-digit code.
6. **Call back Station** after 1 - 2 minutes and ask what signals they received.
7. Request that your **services resume**.

NOTE: Should your system fail to function properly, give us a call for immediate service.
